

QUALITY POLICY

We shall become our customers' "company of choice" by consistently providing distinctively high quality products and service.

The hallmarks of our products will be

- **excellent performance**
- **high reliability**
- **ease of use and maintainability**

The hallmarks of our service will be

- **on-time delivery**
- **a compulsion to satisfy customer needs and exceed customer expectations**
- **application of the skills to do so expertly**

We are committed to collecting and analyzing customer feedback, program and product data, and to applying this information to continually improve the effectiveness of our Quality System.
